

Masha Gessen

Masha Gessen

Surviving Autocracy Masha Gessen, 2020-06-02 “When Gessen speaks about autocracy, you listen.” —The New York Times “A reckoning with what has been lost in the past few years and a map forward with our beliefs intact.” —Interview As seen on MSNBC’s Morning Joe and heard on NPR’s All Things Considered: the bestselling, National Book Award-winning journalist offers an essential guide to understanding, resisting, and recovering from the ravages of our tumultuous times. This incisive book provides an essential guide to understanding and recovering from the calamitous corrosion of American democracy over the past few years. Thanks to the special perspective that is the legacy of a Soviet childhood and two decades covering the resurgence of totalitarianism in Russia, Masha Gessen has a sixth sense for the manifestations of autocracy—and the unique cross-cultural fluency to delineate their emergence to Americans. Gessen not only anatomizes the corrosion of the institutions and cultural norms we hoped would save us but also tells us the story of how a short few years changed us from a people who saw ourselves as a nation of immigrants to a populace haggling over a border wall, heirs to a degraded sense of truth, meaning, and possibility. *Surviving Autocracy* is an inventory of ravages and a call to account but also a beacon to recovery—and to the hope of what comes next.

The Future Is History (National Book Award Winner) Masha Gessen, 2017-10-03 WINNER OF THE 2017 NATIONAL BOOK AWARD IN NONFICTION FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARDS WINNER OF THE NEW YORK PUBLIC LIBRARY’S HELEN BERNSTEIN BOOK AWARD NAMED A BEST BOOK OF 2017 BY THE NEW YORK TIMES BOOK REVIEW, LOS ANGELES TIMES, WASHINGTON POST, BOSTON GLOBE, SEATTLE TIMES, CHRISTIAN SCIENCE MONITOR, NEWSWEEK, PASTE, and POP SUGAR The essential journalist and bestselling biographer of Vladimir Putin reveals how, in the space of a generation, Russia surrendered to a more virulent and invincible new strain of autocracy. Award-winning journalist Masha Gessen’s understanding of the events and forces that have wracked Russia in recent times is unparalleled. In *The Future Is History*, Gessen follows the lives of four people born at what promised to be the dawn of democracy. Each of them came of age with unprecedented expectations, some as the children and grandchildren of the very architects of the new Russia, each with newfound aspirations of their own—as entrepreneurs, activists, thinkers, and writers, sexual and social beings. Gessen charts their paths against the machinations of the regime that would crush them all, and against the war it waged on understanding itself, which ensured the unobstructed reemergence of the old Soviet order in the

form of today's terrifying and seemingly unstoppable mafia state. Powerful and urgent, *The Future Is History* is a cautionary tale for our time and for all time.

Words Will Break Cement Masha Gessen, 2014-01-08 From National Book Award winner Masha Gessen, the heroic story of Pussy Riot, who resurrected the power of truth in a society built on lies. On February 21, 2012, five young women entered the Cathedral of Christ the Savior in Moscow. In neon-colored dresses, tights, and balaclavas, they performed a “punk prayer” beseeching the “Mother of God” to “get rid of Putin.” They were quickly shut down by security, and in the weeks and months that followed, three of the women were arrested and tried, and two were sentenced to a remote prison colony. But the incident captured international headlines, and footage of it went viral. People across the globe recognized not only a fierce act of political confrontation but also an inspired work of art that, in a time and place saturated with lies, found a new way to speak the truth. Masha Gessen’s riveting account tells how such a phenomenon came about. Drawing on her exclusive, extensive access to the members of Pussy Riot and their families and associates, she reconstructs the fascinating personal journeys that transformed a group of young women into artists with a shared vision, gave them the courage and imagination to express it unforgettably, and endowed them with the strength to endure the devastating loneliness and isolation that have been the price of their triumph.

The Man Without a Face Masha Gessen, 2013-03-05 History of Eastern Europe, Russia.

Where the Jews Aren't Masha Gessen, 2016-08-23 From the acclaimed author of *The Man Without a Face*, the previously untold story of the Jews in twentieth-century Russia that reveals the complex, strange, and heart-wrenching truth behind the familiar narrative that begins with pogroms and ends with emigration. In 1929, the Soviet government set aside a sparsely populated area in the Soviet Far East for settlement by Jews. The place was called Birobidzhan. The idea of an autonomous Jewish region was championed by Jewish Communists, Yiddishists, and intellectuals, who envisioned a haven of post-oppression Jewish culture. By the mid-1930s tens of thousands of Soviet Jews, as well as about a thousand Jews from abroad, had moved there. The state-building ended quickly, in the late 1930s, with arrests and purges instigated by Stalin. But after the Second World War, Birobidzhan received another influx of Jews—those who had been dispossessed by the war. In the late 1940s a second wave of arrests and imprisonments swept through the area, traumatizing Birobidzhan’s Jews into silence and effectively shutting down most of the Jewish cultural enterprises that had been created. *Where the Jews Aren't* is a haunting account of the dream of Birobidzhan—and how it became the cracked and crooked mirror in which we can see the true story of the Jews in twentieth-century Russia. (Part of the Jewish Encounters series)

Ester and Ruzya Masha Gessen, 2008-12-30 In this “extraordinary family memoir,”* the National Book Award-winning author of *The Future Is History* reveals the story of her two grandmothers, who defied Fascism and Communism during a time when tyranny reigned. *The New York Times Book Review In the 1930s, as waves of war and persecution were crashing

over Europe, two young Jewish women began separate journeys of survival. Ester Goldberg was a rebel from Bialystok, Poland, where virtually the entire Jewish community would be sent to Hitler's concentration camps. Ruzya Solodovnik was a Russian-born intellectual who would become a high-level censor under Stalin's regime. At war's end, both women found themselves in Moscow. Over the years each woman had to find her way in a country that aimed to make every citizen a cog in the wheel of murder and repression. One became a hero in her children's and grandchildren's eyes; the other became a collaborator. With grace, candor, and meticulous research, Masha Gessen, one of the most trenchant observers of Russia and its history today, peels back the layers of time to reveal her grandmothers' lives—and to show that neither story is quite what it seems. Praise for Masha Gessen "One of the most important activists and journalists Russia has known in a generation."—David Remnick, *The New Yorker* "Masha Gessen is humbly erudite, deftly unconventional, and courageously honest."—Timothy Snyder, author of *On Tyranny*

Perfect Rigour Masha Gessen, 2011-03-03 In 2006, an eccentric Russian mathematician named Grigori Perelman solved one of the world's greatest intellectual puzzles. The Poincare conjecture is an extremely complex topological problem that had eluded the best minds for over a century. In 2000, the Clay Institute in Boston named it one of seven great unsolved mathematical problems, and promised a million dollars to anyone who could find a solution. Perelman was awarded the prize this year - and declined the money. Journalist Masha Gessen was determined to find out why. Drawing on interviews with Perelman's teachers, classmates, coaches, teammates, and colleagues in Russia and the US - and informed by her own background as a math whiz raised in Russia - she set out to uncover the nature of Perelman's astonishing abilities. In telling his story, Masha Gessen has constructed a gripping and tragic tale that sheds rare light on the unique burden of genius.

The Brothers Masha Gessen, 2016-05-10 Look out for Masha Gessen's new book, *THE FUTURE IS HISTORY*, coming October 2017 "A gripping narrative and a stunning piece of investigative journalism... [that] gives us the human side to the story of two young men who must be understood as more than monsters" (*Christian Science Monitor*) On April 15, 2013, two homemade bombs exploded near the finish line of the Boston marathon, killing three people and wounding more than 264 others. In the ensuing manhunt, Tamerlan Tsarnaev died, and his younger brother, Dzhokhar, was captured and brought to trial. Yet even after the guilty verdict and the death sentence, what we didn't know was why. Why did the American Dream go so wrong for two immigrants? How did such a nightmare come to pass? Acclaimed Russian-American journalist Masha Gessen is uniquely able to tell us. A teenage immigrant herself, she returned to Russia to cover firsthand the transformations that wracked the region from the 1990s on. It is there that she begins her astonishing account of the Tsarnaev brothers, descendants of ethnic Chechens deported to Central Asia in the Stalin era. Following the family in their futile attempts to make a life for themselves in one war-torn locale after another and then, as new émigrés, in an utterly disorienting new world, she reconstructs the brothers' struggle between assimilation and alienation, which incubated a deadly sense of

mission. And she traces how such a split in identity can fuel the metamorphosis into a new breed of homegrown terrorist, with feet on American soil but sense of self elsewhere.

American Oligarchs: The Kushners, the Trumps, and the Marriage of Money and Power Andrea

Bernstein,2020-01-14 An absorbing, novelistic, and powerfully affecting work of history and investigative journalism that tracks the unraveling of American democracy. In *American Oligarchs*, award-winning investigative journalist Andrea Bernstein tells the story of the Trump and Kushner families like never before. Building on her landmark reporting for the acclaimed podcast *Trump, Inc.* and *The New Yorker*, Bernstein brings to light new information about the families' arrival as immigrants to America, their paths to success, and the business and personal lives of the president and his closest family members. Drawing on hundreds of interviews and more than one hundred thousand pages of documents, *American Oligarchs* details how the Trump and Kushner dynasties encouraged and profited from a system of corruption, dark money, and influence trading, and reveals the historical turning points and decisions on taxation, regulation, white-collar crime, and campaign finance laws that have brought us to where we are today. A new afterword examines how the two families' transactional politics left America particularly vulnerable to the crises of 2020.

Never Remember Masha Gessen,2018 ,A book that belongs on the shelf alongside *The Gulag Archipelago*. -- Kirkus

Reviews A haunting literary and visual journey deep into Russia's past -- and present. The Gulag was a monstrous network of labor camps that held and killed millions of prisoners from the 1930s to the 1950s. More than half a century after the end of Stalinist terror, the geography of the Gulag has been barely sketched and the number of its victims remains unknown. Has the Gulag been forgotten? Writer Masha Gessen and photographer Misha Friedman set out across Russia in search of the memory of the Gulag. They journey from Moscow to Sandarmokh, a forested site of mass executions during Stalin's Great Terror; to the only Gulag camp turned into a museum, outside of the city of Perm in the Urals; and to Kolyma, where prisoners worked in deadly mines in the remote reaches of the Far East. They find that in Vladimir Putin's Russia, where Stalin is remembered as a great leader, Soviet terror has not been forgotten: it was never remembered in the first place.

Gay Propaganda Masha Gessen,Joseph Huff-Hannon,2014-03-14 Gay Propaganda brings together original stories,

interviews and testimonial, presented in both English and Russian, to capture the lives and loves of LGBT Russians living both in Russia and in exile today. Available in February 2014, in time for the Winter Olympics in Sochi, the book is a provocative riposte to Russia's recently passed and ill-defined ban on "homosexual propaganda." As part of a strategy to consolidate political control in Russia following massive pro-democracy protests that shook the government, President Putin's ruling party decided it needed an enemy to unite the country. Hoping to manipulate backward but widely-held prejudices, it opted to demonize gays and lesbians. As a result, in June 2013, Putin signed a bill banning any and all "propaganda" of so-called non-traditional relationships. Quite predictably, in the months that followed, attacks, firings, and hate crimes have

spiked across Russia, and the state-sanctioned campaign shows no sign of abating. The Russian Duma is now debating a law to take children away from gay and lesbian parents. As the world's media turns its attention to the host country of the Winter Olympics, the stories gathered in *Gay Propaganda* offer a timely and intimate window into the hardships faced by Russians on the receiving end of state-sanctioned homophobia. Here are tales of men and women in long-term committed relationships as well as those still looking for love; of those trying to raise kids or taking care of parents; of those facing the challenges of continuing to live in Russia or joining an exodus that is rapidly becoming a flood.

In the Here and There Valerii□a□ Narbikova,1999 A romantic comedy in which two sisters fall in love with the same man, a sculptor. He loves one of the sisters, but accidentally finds himself in bed with the other. By a Russian writer.

The Tsarnaev Brothers Masha Gessen,2015-04-22 An important story for our Era: How the American dream went wrong for two immigrants, and the nightmare that resulted. The facts of the tragedy are established: on 15 April 2013, two homemade bombs exploded near the finish line of the Boston Marathon, killing three people and wounding 264 others. The elder of the brothers implicated in the attack, Tamerlan Tsarnaev, died in the ensuing manhunt; Dzhokhar's trial got underway in early 2015. What we don't know is why. How did such a nightmare come to pass? Bestselling Russian author Masha Gessen delivers a probing and powerful story of dislocation, and the longing for clarity and identity that can reach the point of combustion. She is uniquely endowed with the background, access, and talent to offer unprecedented insight into who the brothers were and how they came to do what they appear to have done. Most significantly, she reconstructs the struggle between assimilation and alienation that fuelled their apparent metamorphosis into a new breed of homegrown terrorist, with their feet planted on American soil but their loyalties elsewhere - a split identity that seems to have incubated a deadly sense of mission.

The Ukrainian and Russian Notebooks Igort,2016-04-26 Graphic novelist Igort illuminates two harrowing moments in recent history--the Ukraine famine and the assassination of a Russian journalist.

Two Babushkas Masha Gessen,2004 Journalist Masha Gessen's last memory of Russia was the crowd of red-eyed relatives gathered at the airport in Moscow in 1981 to wave goodbye forever to her 14-year-old self, her brother and her parents. Unwilling to have their children grow up bearing the weight of the same anti-Semitism that they and their parents had, Masha's mother and father were emigrating to America. But Russia was Masha's home and 10 years later she returned to a changed country, and to her two grandmothers. With intelligence and humour Masha Gessen unfolds the tale of these two women: both Eastern European Jews who lived through Polish and Russian anti-Semitism, the Second World War, the Holocaust, and the Stalin years and who bore unceasing intimidation and fear in very different ways but with similar courage, resourcefulness and sheer chutzpah. As Masha traces the characters, struggles, love affairs and families of Ester, confident and reckless, and Rosalia, sensitive and responsible, the story of twentieth-century Russia and its people, the Jews, their

friends and their enemies, emerges. And so does Masha Gessen's own story, itself a modern myth of exile and return.

Surviving Autocracy Masha Gessen, 2020-06-02 “When Gessen speaks about autocracy, you listen.” —The New York Times “A reckoning with what has been lost in the past few years and a map forward with our beliefs intact.” —Interview As seen on MSNBC’s Morning Joe and heard on NPR’s All Things Considered: the bestselling, National Book Award-winning journalist offers an essential guide to understanding, resisting, and recovering from the ravages of our tumultuous times. This incisive book provides an essential guide to understanding and recovering from the calamitous corrosion of American democracy over the past few years. Thanks to the special perspective that is the legacy of a Soviet childhood and two decades covering the resurgence of totalitarianism in Russia, Masha Gessen has a sixth sense for the manifestations of autocracy—and the unique cross-cultural fluency to delineate their emergence to Americans. Gessen not only anatomizes the corrosion of the institutions and cultural norms we hoped would save us but also tells us the story of how a short few years changed us from a people who saw ourselves as a nation of immigrants to a populace haggling over a border wall, heirs to a degraded sense of truth, meaning, and possibility. *Surviving Autocracy* is an inventory of ravages and a call to account but also a beacon to recovery—and to the hope of what comes next.

Dead Again Masha Gessen, 1997-06-17 The author examines the ways in which intellectuals are finding an identity in the new Russia.--Cover.

The Man Without a Face Masha Gessen, 2012-03-01 National Book Award winner Masha Gessen's biography of a ruthless man's ascent to near-absolute power. “In a country where journalists critical of the government have a way of meeting untimely deaths, Gessen has shown remarkable courage in researching and writing this unflinching indictment of the most powerful man in Russia.” —The Wall Street Journal “Thanks to fearless reporting and acute psychological insights, Masha Gessen has done the impossible in writing a highly readable, compelling life of Russia's mysterious president-for-life.” -Tina Brown, The Daily Beast *The Man Without a Face* is the chilling account of how a low-level, small-minded KGB operative ascended to the Russian presidency and, in an astonishingly short time, destroyed years of progress and made his country once more a threat to his own people and to the world. Handpicked as a successor by the family surrounding an ailing and increasingly unpopular Boris Yeltsin, Vladimir Putin seemed like a perfect choice for the oligarchy to shape according to its own designs. Suddenly the boy who had stood in the shadows, dreaming of ruling the world, was a public figure, and his popularity soared. Russia and an infatuated West were determined to see the progressive leader of their dreams, even as he seized control of media, sent political rivals and critics into exile or to the grave, and smashed the country's fragile electoral system, concentrating power in the hands of his cronies. As a journalist living in Moscow, Masha Gessen experienced this history firsthand, and for *The Man Without a Face* has drawn on information and sources no other writer has tapped. This account of how a faceless man maneuvered his way into absolute—and absolutely corrupt—power is the definitive biography

of Vladimir Putin.

The Strongman Angus Roxburgh, 2011-12-15 Russia under Vladimir Putin has proved a prickly partner for the West, a far cry from the democratic ally many hoped for when the Soviet Union collapsed. Abroad, he has used Russia's energy might as a foreign policy weapon, while at home he has cracked down on opponents, adamant that only he has the right vision for his country's future. Former BBC Moscow correspondent Angus Roxburgh charts the dramatic fight for Russia's future under Vladimir Putin - how the former KGB man changed from reformer to autocrat, how he sought the West's respect but earned its fear, how he cracked down on his rivals at home and burnished a flamboyant personality cult, one day saving snow leopards or horse-back riding bare-chested, the next tongue-lashing Western audiences. Drawing on dozens of exclusive interviews in Russia, where he worked for a time as a Kremlin insider advising Putin on press relations, as well as in the US and Europe, Roxburgh also argues that the West threw away chances to bring Russia in from the cold, by failing to understand its fears and aspirations following the collapse of communism.

The Demagogue's Playbook Eric A. Posner, 2020-06-30 A New York Times Book Review Editor's Pick What Happens to Democracy When a Demagogue Comes to Power? It is hard to imagine understanding the Trump presidency and its significance without reading this book." —Bob Bauer, Former Chief Counsel to President Barack Obama What—and who—is a demagogue? How did America's Founders envision the presidency? What should a constitutional democracy look like—and how can it be fixed when it appears to be broken? Something is definitely wrong with Donald Trump's presidency, but what exactly? The extraordinary negative reaction to Trump's election—by conservative intellectuals, liberals, Democrats, and global leaders alike—goes beyond ordinary partisan and policy disagreements. It reflects genuine fear about the vitality of our constitutional system. The Founders, reaching back to classical precedents, feared that their experiment in mass self-government could produce a demagogue: a charismatic ruler who would gain and hold on to power by manipulating the public rather than by advancing the public good. President Trump, who has played to the mob and attacked institutions from the judiciary to the press, appears to embody these ideas. How can we move past his rhetoric and maintain faith in our great nation? In *The Demagogue's Playbook*, acclaimed legal scholar Eric A. Posner offers a blueprint for how America can prevent the rise of another demagogue and protect the features of a democracy that help it thrive—and restore national greatness, for one and all. "Cuts through the hyperbole and hysteria that often distorts assessments of our republic, particularly at this time." —Alan Taylor, winner of the 2014 Pulitzer Prize for History

Enjoying the Melody of Term: An Mental Symphony within **Masha Gessen**

In some sort of consumed by displays and the ceaseless chatter of instant connection, the melodic splendor and emotional symphony produced by the published term often diminish into the back ground, eclipsed by the relentless sound and disturbances that permeate our lives. Nevertheless, nestled within the pages of **Masha Gessen** a stunning literary prize overflowing with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, that charming masterpiece conducts visitors on a psychological journey, skillfully unraveling the concealed melodies and profound impact resonating within each cautiously constructed phrase. Within the depths of the touching analysis, we shall explore the book is central harmonies, analyze its enthralling publishing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Masha Gessen Introduction

Masha Gessen Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Masha Gessen Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Masha Gessen : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Masha Gessen : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Masha Gessen Offers a diverse range of free eBooks across various genres. Masha Gessen Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Masha Gessen Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Masha Gessen, especially related to Masha Gessen, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Masha Gessen, Sometimes enthusiasts share their designs or concepts in PDF format. Books and

Magazines Some Masha Gessen books or magazines might include. Look for these in online stores or libraries. Remember that while Masha Gessen, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Masha Gessen eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Masha Gessen full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Masha Gessen eBooks, including some popular titles.

FAQs About Masha Gessen Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks,

including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Masha Gessen is one of the best book in our library for free trial. We provide copy of Masha Gessen in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Masha Gessen. Where to download Masha Gessen online for free? Are you looking for Masha Gessen PDF? This is definitely going to save you time and cash in something you should think about.
