Carrying the Elephant Michael Rosen, 2002 dear joe, your wild noisy huge brother is dead. i couldn't do what my parents did: bring two boys, four years apart, through the maze in 72 prose-poems of extraordinary power and vividness, Michael Rosen tells the story of a life: his left-wing Jewish upbringing, with baffling childhood trips to Trafalgar Square, eastern Europe and hospital, followed by trainee days at the BBC under the watchful eyes of Mi5, breakdown of a marriage, development of a new relationship, and the joy of a new baby. And, in a core series of pieces, the central calamity of his life: the sudden death from meningitis of his eighteen-year-old son. 'Rather you than me' said one of the neighbours on hearing the news - a remark that Rosen records, as he does much else to do with the death, with a surprised, painful honesty which constantly brings the reader up short. Unflinching, totally lacking in mawkishness and self-pity, *Carrying the Elephant* is a triumph of imagination and curiosity.

Michael Rosen's ABC Michael Rosen, 1996 Combines nonsense poems and fanciful illustrations with objects representing each letter of the alphabet.

101 Damnations Michael J. Rosen, 2002-08-03 Dear flappable reader: Do you bristle at a handshake that resembles a limp fish? Do oblivious pedestrians bring you to the brink? What about museum gift shops, superfluous courtesy (do we need a gas pump to show us gratitude?), behemoth SUVs, or inexplicable operating manuals? Have you had it with screeching leaf blowers, beseeching telemarketers, escalating movie-ticket prices, or proliferating celebrity magazines? Is it children's choirs or karaoke singers, waiters bearing pepper grinders or dinner guests blathering on about salt, that drives you to distraction? For anyone who has recognized that this peaceful kingdom of ours has more than a few potholes, *101 Damnations* is the perfect companion. It's your ticket to the nine circles of personal hell. Armed with wit, bewilderment, and words to the wise ass, today's leading humorists conduct a brief tour of the trivial and often universal exasperations we all must endure. Among the damning, Henry Alford reveals our wanton desire to affect Britishisms. Sandra Tsing Loh has it in for people who forward funny e-mails. Once and for all, Merrill Markoe sets forth cell phone etiquette. And there are many, many others. Ninety-eight to be exact. Make yourself comfortable. Misery loves company.

Many Different Kinds of Love Michael Rosen, 2022 In March 2020, Michael Rosen became unwell. Soon he was struggling to breathe, and he was admitted to hospital with coronavirus. What followed was months on the wards: a month in an induced coma, and weeks of rehab and recovery as the NHS saved his life, and then got him back on his feet. Throughout it all, a notebook lay at the end of Michael's bed, where his nurses wrote him letters of hope and support. And as soon as he was awake, he was ready to start writing his own story. Combining stunning new prose poems by one of Britain's best loved

poets and the moving coronavirus diaries of his nurses, and featuring original illustrations by Chris Riddell, this is a beautiful book about love, life and the NHS that celebrates the power of community and the indomitable spirits of the people who keep us well.

So They Call You Pisher! Michael Rosen, 2018-10-02 The brilliant family memoir of the much-beloved poet and political campaigner In this hilarious, moving memoir, much-loved children's poet and political campaigner Michael Rosen recalls the first twenty-three years of his life. He was born in the North London suburbs, and his parents, Harold and Connie, both teachers, first met as teenage Communists in the Jewish East End of the 1930s. The family home was filled with stories of relatives in London, the United States and France and of those who had disappeared in Europe. Different from other

children, Rosen and his brother, Brian, grew up dreaming of a socialist revolution. Party meetings were held in the front room. Summers were for communist camping holidays. But it all changed after a trip to East Germany when, in 1957, his parents decided to leave 'the Party'. From that point, Michael followed his own journey of radical self-discovery: running away to Aldermaston to march against the bomb; writing and performing in experimental political theatre at Oxford; getting arrested during the 1968 movements. The book ends with a letter to his father, and the revelation of a heartbreaking family secret.
