The HyperLocal, HyperFast Real Estate Agent Daniel Lesniak, 2017-02-23 #1 Best-Seller on Amazon! According to recent surveys the average real estate agent makes less than \$10,000 a year and close to 90% of new agents will not last more than two years in the business. Fewer than 10% of agents will make over \$100,000 and the majority that do have been in the business for decades. The average real estate agent sells 12 homes a year and for agents that are just starting out that number is less than four. In 2012 Dan Lesniak used a unique strategy to upend the industry trends. In his first year in real estate Dan had over 36 transactions totaling over \$22 million in sold volume, making him one of the most successful rookie real estate agents ever on his way to taking over one of the most competitive market areas in the country, that had previously been dominated by agents with over 10 years experience. In *The HyperLocal, Hyper Fast Real Estate Agent*, Dan tells how he used the Segmentation, Targeting and Positioning (STP) framework to identify potential markets, choose which ones to go after and how to add massive value to the consumers in that market. This book will teach you how to use the STP framework to enter new markets or increase market share in your existing markets by adding more value to your potential clients and communicating your value proposition to the market. Whether you are a new agent getting started or a veteran agent looking for more growth this book will show you how to do it using examples of how Dan did it in the hyper competitive Arlington, VA (Greater Washington DC) market. What Other Industry Leaders Have Said About the Book I have been coaching realtors for 22 years. Dan is the best business man who sells real estate that I've ever seen. He has great systems, structures, and

processes. That is what separates him from the rest! -Rick Ruby - Core Head Coach One of my favorite sayings is follow the yellow brick road. In this book, Dan clearly lays out the path to the Emerald City, avoiding all the dangers of creating your own way. In Dan's first year, he closed over \$22 million in sales, a feat matched by only the tiniest fraction of real estate agents-regardless of experience. If you are looking for a step-by-step plan from someone who has done it, this is the book for you! -Pam O'Bryant, Chief Engagement Officer for Keller Williams Capital Properties, Contributor to Gary Keller's The Millionaire Real Estate Agent book There is no greater opportunity right now in the real estate industry than there is in the expansion market. This will require you to grow in your existing market and know how to expand in new ones. This book is a great example of how to rapidly expand in any market and is a must read for expansion team leaders. -Noah Ostroff, Chief Executive Officer of Global Living and Top Selling Keller Williams Agent Dan Lesniak is the real deal. He runs the most profitable real estate team I know of, hands down. If you want to compress time to achieve your goals, listen to this guy and take action now! -Jeff Latham, President of Latham Realty Unlimited with 275 homes sold annually Dan and I first met when he was just getting started in the business, and I have been blown away at how he was able to grow his brand so rapidly in a very competitive market. Dan's creative approach and tenacity has served him well, and he is a great example of how to commit and succeed as a young real estate agent. -Thad Wise, Senior Vice President with First Savings Mortgage Corporation and \$100 Million Loan Officer Dan Lesniak is by far one of the brightest and highest-skilled real estate agents I have had the pleasure of working with; his strategies for his clients are brilliant! Dan has succeeded in one of the most competitive markets in the country, while also growing his brokerage and giving back to the community. -Elysia Stobbe, Real Estate RockStar and #1 Best Selling Author of How To Get Approved for the Best Mortgage Without Sticking a Fork in Your Eye

It's not a book for everyone. The book is for Honest Real Estate Agents who care about their customers, work hard and want to make a difference in helping other people. One of the drawbacks of most real estate schools is they teach you only how to pass the real estate exam. They don't teach you how to succeed as a Real Estate Agent once you get your license. This is the book for you because it will help you hit the ground running once you get your license. In the past five years thousands of new Agents have bought this book as they embark on their career in real estate.

The Millionaire Fastlane MJ DeMarco, 2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as *The Slowlane* your plan for creating wealth? You know how it goes; it sounds a lil something like this: Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich. The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the *Slowlane* as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the *Slowlane* road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to settle-for-less and a slight chance of

elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of do what you love will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Million Dollar Agents Phil Hollander,Dan Lok,2021-08-23 How Top Real Estate Agents Really Create HIGH INCOME, WEALTH, AND INDEPENDENCE A rare and insightful view into how highly successful Real Estate Professionals create a balanced and prosperous lifestyle out of what can be a chaotic and highly unpredictable business. Written in a refreshing interview format that brings to life the unique systems and strategies of Agents that have truly made it in the Real Estate

Industry. Jillian Dobson Broker RE/MAX Realtron Realty Inc., Brokerage THIS BOOK IS the result of over fifteen years of travelling throughout both Canada and the United States and meeting, speaking and working with literally thousands of real estate agents. After working with some of the top agents in North America, there is a clear and definitive common thread that defines them. If you really take a close look at what we would refer to as the top 10% of realtors who are successful and prosperous, while there are differences, there are many profound similarities: In how they structure their business, Their strategies, Their overall mindset and how they approach what they do. This stands in stark contrast to the vast majority of agents who are struggling or just getting by barely making a living. We have often said that we have never met the five year old that decided they want to be a realtor when they grow up. Most come to real estate as a second or third profession and usually from vastly different backgrounds. Most agents start off in the same place with lots of unanticipated startup expenses and little or no business at the beginning. The ones who actually build a prosperous and successful real estate career with consistent income and a great lifestyle for their families have done so by discovering a few simple truths about the real estate business. Simple truths like how to manage themselves and their relationships. They have done so in such a way as to navigate the journey from being a transactional agent perpetuating the feast-to-famine cycle, always being at the whim of the economy and competing with every other agent in their market, to creating a systems-based business and taking back control over their business and their lives. Ultimately, this book is about the journey from being a transactional agent to becoming a prosperous systems-based one where it is all about the lifestyle. What these agents interviewed in this book have done is make the real estate business work for them rather than the majority of agents who can be at the whim of what can be a wildly unpredictable and tumultuous business. In writing this book, we interviewed a broad cross section of the most successful agents and allowed them to tell their story with the ultimate goal of uncovering and sharing some of their golden nuggets of wisdom. One of our favorite sayings is that all the great truths in life are simple for if they were complex everyone would understand them. It is our intent to share some of these simple truths with you so that you too will have a rich and rewarding real estate career. Phil Hollander & Dan Lok
