The Peri-Urban Interface Duncan McGregor, David Simon, 2012-04-27 Peri-urban interfaces - the zones where urban and rural areas meet - suffer from the greatest problems to humans caused by rapid urbanization, including intense pressures on resources, slum formation, lack of adequate services such as water and sanitation, poor planning and degradation of farmland. These areas, home to hundreds of millions of people, face unique problems and need distinctive and innovative approaches and solutions. This book, authored by top researchers and practitioners, covers the full breadth and depth of the impacts of rapid urbanization on livelihoods, poverty and resources in the peri-urban zones in diverse African, Asian, Latin American and Caribbean contexts. Topics include peri-urban resource sustainability, ecosystems and societies and environmental changes in peri-urban zones. Rich case studies cover production systems and livelihoods including the impacts of irrigated vegetable production, horticulture, dairy enterprises, waste-fed fisheries and pastoral livelihoods. Also addressed are planning and development issues in the peri-urban interface including the difficulty in achieving sustainability, conflict and cooperation over resources, and a fresh look at the relationship between people and their environment. The final part of the book presents policies and strategies for promoting and measuring sustainability in peri-urban zones including community-based waste management, the co-management of watersheds and empowerment of the poor. This book is the

most comprehensive examination of the challenges and solutions facing the people and environments of peri-urban zones and is essential reading for all practitioners, students and academics in geography and development.

You Must Go and Win Alina Simone,2011-06-07 In the wickedly bittersweet and hilarious *You Must Go and Win*, the Ukrainian-born musician Alina Simone traces her bizarre journey through the indie rock world, from disastrous Craigslist auditions with sketchy producers to catching fleas in a Williamsburg subplot. But Simone offers more than down-and-out tales of her time as a struggling musician: she has a rapier wit, slashing and burning her way through the absurdities of life, while offering surprising and poignant insights into the burdens of family expectations and the nature of ambition, the temptations of religion and the lure of a mythical Russian home. Wavering between embracing and fleeing her outsized and nebulous dreams of stardom, Simone confronts her Russian past when she falls in love with the music of Yanka Dyagileva, a Soviet singer who tragically died young; hits the road with her childhood friend who is dead set on becoming an icon; and battles male strippers in Siberia. Hailed as the perfect storm of creative talent (*USA Today*, *Pop Candy*), Simone is poised to win over readers of David Rakoff and Sarah Vowell with her irresistibly funny and charming literary debut.

The Austin Cookbook Paula Forbes,2018-03-20 The acclaimed food writer's "go-to guide for Austin eating" shares classic and creative recipes from the city's greatest restaurants (Publishers Weekly). The story of Austin food is equal parts deep Texan traditions and a booming food scene. It is this atmosphere that has fostered some of the hottest restaurants in the country, a lively food truck community, and a renaissance in the most Texan of foods: barbecue. Austin food is also tacos and Tex-Mex, old fashioned Southern cooking, street food and fine dining, with influences from all over the globe. Above all, it's a source of pride and inspiration for chefs and diners alike. Organized by Austin's "major food groups", The Austin Cookbook explores the roots of Texas food traditions and the restaurants that are reinventing them, revealing the secrets to Bob Armstrong dip, Odd Duck's sweet potato nachos, East Side King's beet fries, and of course, smoked brisket that has people lining up to eat it—even in the Texas summer. Part cookbook, part restaurant guide, and 100 percent love letter, The Austin Cookbook is perfect for proud locals, curious visitors, and (t)ex-pats.

All This Talk of Love Christopher Castellani,2013-02-05 It's been fifty years since Antonio Grasso married Maddalena and brought her to America. That was the last time she saw her parents, her sisters and brothers—everything she knew and loved in the village of Santa Cecilia, Italy. Maddalena sees no need to open the door to the past and let the emotional baggage and unmended rifts of another life spill out. But Prima was raised on the lore of the Old Country. And as she sees her parents aging, she hatches the idea to take the entire family back to Italy—hoping to reunite Maddalena with her estranged sister and let her parents see their homeland one last time. It is an idea that threatens to tear the Grasso family apart, until fate deals them some unwelcome surprises, and their trip home becomes a necessary journey. All This Talk of Love is an incandescent novel about sacrifice and hope, loss and love, myth and memory.

Kumba Africa Sampson Ejike Odum,2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.
