How the Army Runs: A Senior Leader Reference Handbook, 2011-2012 U.S. Army War College, 2013-05-20 The U.S. Army War College (USAWC) is proud to present the 28th Edition of *How the Army Runs: A Senior Leader Reference Handbook, 2011-2012*. Publication of this text at this time, when the Army has been at war for almost a decade, has almost completed restructuring of its operating force, and is addressing the structure of the generating force, as well as completing formidable base closure and restationing actions, gives credence to the enduring truth that in order to be successful the Army must sustain and improve itself while it is fully committed to the Nation's bidding. The systems and processes documented and explained in this work are designed to do just that. This text was prepared under the direction of the faculty of the Department of Command, Leadership, and Management. It is intended to be used in an academic environment during the study of the systems and processes used to develop and sustain trained and ready combat forces to be used by the Combatant Commanders.

How the Army Runs: A Senior Leader Reference Handbook, 2017-2018 (31st Edition) U.S. Army War College, 2018-11-19 This text explains and synthesizes the functioning and relationships of numerous Defense, Joint, and Army organizations, systems, and processes involved in the development and sustainment of trained and ready forces for the Combatant Commanders. It is designed to be used by the faculty and students at the U.S. Army War College (as well as other training and educational institutions) as they improve their knowledge and understanding of *How the Army Runs*. We are proud of the value that senior commanders and staffs place in this text and are pleased to continue to provide this reference.

United States Army Third Infantry Division Directorate of Morale, Welfare, and Recreation Michael D. Hughes, 2014 The objective in this work was to analyze the structure and organization in the operations of a military

organization that supports one of the greatest Divisions of the United States Army, the 3rd Infantry Division. The history of Morale, Welfare and Recreation Division as it relates to civilians employees, soldiers, family members and the Ft Stewart, Hunter Army Airfield Community. Morale, Welfare, and Recreation history started on the battlefields of World War 1 were Salvation Army sisters and Red Cross volunteers ministered to the needs of soldiers. The focus of this work provided administrative aspects of public administration and its effects on military success. On October 18th, 2007 Chief of Staff of the Army General George W. Casey Jr, and Secretary of the Army Pete Green signed and unveiled the Army Family Covenant pledging to support its soldiers and families, and active guard and reserve organizations with funding programs to deliver a quality of life commensurate with their service and sacrifices to the nation. It is this commitment that propelled and motivates this organization. The Army Morale, Welfare and Recreation exists because the United States Army states it is committed to the wellbeing of the community of people who serve and stand ready to defend the nation and enhance the lives of soldiers, their families, civilian employees and military retirees. In all organizations there will be transition, changes and improvements within their environments I hope with this work I have opened the minds and hearts of those brave men and women who love the military and the United States of America. With god on our side who can defeat us.
